RISORGIMENTO

"MARCH THROUGH MAIN STREET"

Most protest rallies and demonstrations take place in the city, where oftentimes, the protestors are **preaching to the converted.**

Meanwhile, life in **Suburbia** is absolutely "business as usual."

It is time the anti-war movement brings the philosophy of **"NO BUSINESS AS USUAL"** to the suburbs.

Come help us bring the reality of the people's discontent with war and empire to the wealthy oasis of BURLINGAME.

As part of the upcoming "Days of Mourning and Resistance"

FRIDAY, APRIL 30TH, 2004

MEET AT THE BURLINGAME TRAIN DEPOT

290 CALIFORNIA DR
BURLINGAME, CA

AT 4:30 PM

March will proceed up **Burlingame Avenue** and through **Hillsborough** (one of the 5 riche$t towns in America) to our destination, **the Burlingame Country Club.**

Smash them!

Isolation, ignorance, complacency....
