

Picket War Profiteers!

Port Money for Schools & Social Services!

Bring Horns & Drums!

Saturday May 19TH

7AM: Picket begins at APL Terminal at Port of Oakland:

1579 Middle Harbor Road, near sign for entrance to Berths 61-63

Free Shuttle service from West Oakland BART to picket throughout the day

Supplies for the U.S. military ship from the Port of Oakland every day. The shippers at Middle Harbor Terminal—American President Lines (APL) and Stevedoring Services of America (SSA)—are both served by Eagle Marine Services, which has a contract to run the Concord Naval Weapons Station. Oakland is the corporate headquarters of APL's logistics division, which brings in \$975 million annually. The Port and its maritime tenants are war profiteers and pay not one cent for Oakland schools or Alameda Co. social services. Yet the Port does \$33 billion in business a year.
