**EXHIBIT 14**

## Justice Delayed is Justice Denied

Yes, this is for real. "BITCH ASS NIGGER" is what Oscar Grant III heard right before he was murdered by BART Police Officer Johannes Mehserle on January 1st, 2009. Court transcripts now show that BART Police confiscated high quality video from a passenger the night of the murder. It shows BART Officer Tony Pirone's own assaults on Oscar and his racist slur. Despite having viewed this video, Police Chief Gee and BART boss Dorothy Dugger exonerated Pirone, saying he acted correctly, and professionally. They even promoted him, and soon he will be training other BART police. To date, BART has not held one single person accountable for their roles in the murder or their attempts to cover-up the truth!
