

# NYE 2010 Service Plan

- 3 route, 20 minute headways
- Supplemental “event trains” before and after fireworks
- T/O Staffing of Concern
  - impacts ability to run regular service
  - impacts # of event trains

# Crowd Management Measures

## Goal: Prevent Platform Overcrowding

- Run maximum # of event trains
- No flash passes
- Close station entrances at Embarcadero and Montgomery as needed
- Maximize station/supervisory staffing especially at Embarcadero & Montgomery
- Ensure vertical circulation/AFC systems in good working order
