

Support Palestinian Rights!!

Stop the Ethnic Cleansing of Palestine

End Israeli occupation, colonization & apartheid!

Sunday, May 4, 2014

21st Street & Capitol Ave, Sacramento, 11am.

We will banner and leaflet outside the “Celebrating Israel” event that is being held by the local Israel-lobby affiliate, the Jewish Community Relations Council (JCRC). The JCRC’s mission includes to “Protect Israel” while ignoring Israel’s well-documented human rights violations, which do not reflect Judaism or Jewish values.

There is nothing to celebrate about Israel’s colonization, occupation, ethnic cleansing or apartheid.
