

The JFK Assassination Fifty Years On

What Do We Know? Why Does It Matter?

A talk by JOSEPH McBRIDE, author of *Into the Nightmare: My Search for the Killers of President John F. Kennedy and Officer J.D. Tippit*

Joseph McBride, a professor in the Cinema Department at San Francisco State University and a journalist since 1960, has been a lifelong sceptic of the official Warren Commission version of the Kennedy assassination. More important, he has dedicated significant time to trying to uncover the true story of the events in Dallas in November 1963. Last year he published the results of his half-century effort in *Into the Nightmare: My Search for the Killers of President John F. Kennedy and Officer J. D. Tippit*. Please join us to hear him share his findings and perspective.
