Bernie and Beyond

Socialist Perspectives on the Sanders Campaign

The Presidential Campaign of Bernie Sanders has drawn record crowds and electrified many left/progressives, but we need to ask the hard questions. Is it enough to “Feel the Bern?” Or do we need to build a movement that will last beyond 2016 and transform America and our Mother Earth? Our **Suds, Snacks, and Socialism** forum is inviting speakers from different political perspectives to join us in discussing these and other important questions.
