## **Mexico after Ayotzinapa**

Dr. Gloria La Riva will review past and current disturbing events in Mexico. Her mother was born and raised in Mexico, and her father is Mexican-American. Gloria's life-long connections have given her an acute awareness of Mexican issues that led her to produce a video on the Zapatistas in Chiapas as well as a video on the effects of NAFTA, the free trade agreement that lies at the root of Mexico's social and economic crises.
