The Peace and Freedom Party presents

U.S. Imperialism Hands Off the World

From the **Peace and Freedom Party Platform**: *“The drive for greater profits by multi-national corporations which direct U.S. foreign policy is a major cause of war. We stand for peace between nations and the right of all peoples to self-determination. We support an ongoing socialist transformation everywhere.”* We have confirmed speakers to address issues of war, imperialism, revolution, and socialism in East Asia, Central Africa (Ann Garrison), and Ukraine (Peter Urban).
